From

The President Town Municipal Council

No H N C 38/48-49 dated 22-9-48

Forwards the representation dated 22-9-48 of the above Assessing officer for giving a higher pay

1) Sri V Muddappa is stated to have drawn previously Rs 100/ p m plus Rs 25/ p m as Food Inspector Having now to run two establishments necessitated by the nature of work to be performed as Assessing Officer, he is stated to have been adversely affected in his finances by his new appointment It is stated that even on his permanent appointment as Taluk Shirastedar, he is to get Rs 102/ p m from 1 1 48 He therefore requests that he may be given the first grade or the maximum amount of Rs 130/ p m in the second grade from the date he reporting himself for duty viz 1-9-48 The giving of first grade to him is not favourable as there are no vacancies at present and also promotions to this grade are made according to seniority The pay of this officer does not also justify the giving to him of the first grade

2) Sri D S Siddegowda and J N.

8) The emoluments that the official was getting in a temporary post or on account of his having to maintain two establishments cannot outweigh the fundamental principles of financial propriety In the precedents quoted the Finance Department had made its position clear They have to be treated as special cases, for if what was there sanctioned be made a general rule, then it would be impossible to resist similar representations in future and every official in a temporary department will approach Government for a higher pay on his transfer to a new appointment It is needless for the Finance Department to reiterate the financial implications in such cases. The request may be kindly turned down to avoid further precedents

9) The opinion of the Financial Secretary is for perusal Sri Ruddappa's Representation for being given Rs 130/- is not merely for the reason of his getting higher emoluments in the Food Supplies Dept, which is temporary, but also for the reason that his pay in his permanent appointment as Taluk Sheristedar in the Revenue Dept is to be fixed at Rs 102/- from 1.1.48 and Rs 10/- increments which basis be raised to Rs 108/- on 1.1.49 He is now given only Rs 108/- p.m. as Assessing

13) This case is of course similar to that of Sri. B V Sawandasetty, so far as the question of fixing the pay is concerned. But in the case of Sri B V Sawandasetty though the higher initial pay asked for, the D F S had recommended his relation in the Flood Dept. which involved some obvious financial difficulties to grant him the higher pay in view of his post there being one of a fixed pay on Rs 100/- p.m. Hence he was allowed to

The president,

Sir,

Subject Fixation of pay of Sri V Muddaiah
Assessing Officer, Anekal town

Kindly permit me to place the following few lines before you for your valuable Consideration and favourable orders

In pursuance of G O No L 935-57/ML 48--47-45 dated 29 7 48, including my name in the eligibility list for Chief officers and Assessing Officers, as sl No 1, I was appointed as Assessing Officer in G O No L 1712 26/ML 48 47 46 dated 17 8 48 and posted to Bangalore District Accordingly, and as per Bangalore Deputy Commissioner's orders, I have reported myself for duty at Anekal and have been carrying on the work relating to the revision of assessment

In this Connection, and while being extremely grateful to Govt for having included my name at least in the list of Chief officers and Assessing officers, I beg to submit that the grade pay of the present appointment being Rs 100 6 130 only the salary I am to get is Rs 100 + Rs 25 CA + Rs 181 DA ie Rs 1431 only

P T O

6/>4

Immediately prior to this, appointment, I was already getting a pay of Rs100/- as Food Inspector at Bangalore and my salary was Rs100 + Rs 20 CA + Rs22 8-0 DA ie Rs142-8-0 Thus, it could be readily seen that practically there is no difference at all in my emoluments though the present appointment is one made by Government and as per statute, involving more responsibilities Moreover, as the nature of work is such that I will have to be moving from place to place once in every two or three months, it is not possible to set up my family at any one particular place or Town and I am constrained to allow my family to continue at Bangalore only This, as is also even otherwise inevitable, has caused me an extra expenditure of about a minimum of Rs40-45 per month towards boarding and lodging etc, As there is no increase in my emoluments at all, I find it impossible to make both ends meet, making provision for this two way expenditure

I have already submitted an application in this behalf through the Director of Food Supplies in Mysore, Bangalore before I was relieved of my duties as Food Inspector and I hope that the same will have reached by your gracious office by now

Moreover, even in the Revenue Department my pay will have to be fixed at Rs102/- as on 1 1 48 in the revised grade of Rs 80-5 90 6 150 for Taluk Sheristedars, as I was appointed as Taluk Sheristedar prior to 1 1 1947, the date of revision

In these circumstances, I hum

I humbly pray that I may kindly be appointed as a First-grade clerk officer in grade Rs 130-8 170 or if this is not found feasible immediately, my starting pay may kindly be fixed at Rs 130/- in the present grade from the date of my appointment as has been done in the case of a few officials like (1) Mr D S Siddeponda, (2) T N Radhakrishna etc with an additional privilege of their continuing in their own Department without actually joining the new appointment and thereby avoiding such additional expenditure as I have referred to above

I once again request you sir, to be so good as to consider my case favourably and grant my request

For this act of kindness, I shall ever remain grateful to you

I beg to remain

Your most obedient servant,
